RISK FACTORS

Risks Related to the Company's Business and Industry

THIS INVESTMENT INVOLVES A DEGREE OF RISK. AN INDIVIDUAL CONTEMPLATING INVESTMENT IN THIS OFFERING SHOULD GIVE CAREFUL CONSIDERATION TO THE ELEMENTS OF THE RISK SUMMARIZED BELOW, AS WELL AS THE OTHER RISK FACTORS IDENTIFIED ELSEWHERE IN THIS PRIVATE OFFERING MEMORANDUM.

Formation of the Company

The Company was formed on December 27, 2022. It is therefore subject to all the risks inherent in the creation of a new Company. Unforeseen expenses, complications and delays may occur with a new Company.

Capitalization of the Company

Prior to this offering, the Company was funded only with minimal initial capital to support pre-operational expenses and commence business operations. The funds raised in this offering in conjunction with funds raised in a separate issuance of common stock and an issuance of debt in an offering exempt from registration under Regulation D (collectively, the "Capital Raises") comprise the funds needed to commence business operations, in particular to acquire the equipment, manufacturing facilities, and other necessary business functions to manufacture the Investment Grade Ammunition.

The Company reserves the right to obtain capital through other sources such as a commercial bank credit facility or an investment from a strategic partner.

Regulations

The Company is subject to various federal and state laws, rules and regulations. Additionally, the fluidity of regulations concerning asset backed digital tokens lends a degree of uncertainty in the Company's ability to achieve all of its business goals. Failure to comply with existing or to-be-enacted laws may result in civil and criminal liability. Because the Company's business is highly regulated, the laws, rules and regulations applicable to the Company are subject to subsequent modification and change. The Company believes it is in full compliance with any and all applicable laws, rules and regulations.

Customer Base and Market Acceptance

The Company's customer base will be investors and consumers of the Investment Grade Ammunition. While the Company believes it can develop the Investment Grade Ammunition, a consumer base, marketplace, and digital token, the inability of the Company to achieve any or all of these goals could have a material adverse effect on the Company. No assurance can be given that the Company will be able to manufacture the Investment Grade Ammunition, maintain sustained interest in the Investment Grade Ammunition, or that it will generate revenues sufficient for sustained profitable operations.

Competition

Competition for Mags Ammo & Company primarily comes from other manufacturers of ammunition, though it is unique in its intention to develop the Investment Grade Ammunition. With respect to its intended development of a digital token backed by the Investment Grade Ammunition and a marketplace for exchange of the digital tokens, the Company is not aware of any direct or indirect competitors.

Management believes that the Company is well positioned, with a unique product and business model. The expertise of Management combined with the intense interest in ammunition and the digital asset marketplace sets the Company apart from its competitors. However, there is the possibility that existing or new competitors could erode the Company's potential market share and client base. Additionally, these competitors could be better capitalized than the Company, which could give them a significant advantage.

Risks Related to the Securities

The Units of Common Stock will not be freely tradable until one year from the initial purchase date. Although the Units of Common Stock may be tradable under federal securities law, state securities regulations may apply and each Purchaser should consult with his or her attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not be a public market for the Units of Common Stock. Because the Units of Common Stock have not been registered under the Securities Act or under the securities laws of any state or non-United States jurisdiction, the Units of Common Stock have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be affected. Limitations on the transfer of the Units of Common Stock may also adversely affect the price that you might be able to obtain for the Units of Common Stock in a private sale. Purchasers should be aware of the long-term nature of their investment in the Company. Each Purchaser in this Offering will be required to represent that it is purchasing the Securities for its own account, for investment purposes and not with a view to resale or distribution thereof.

Neither the Offering nor the Securities have been registered under federal or state securities laws, leading to an absence of certain regulation applicable to the Company.

No governmental agency has reviewed or passed upon this Offering, the Company or any Securities of the Company. The Company also has relied on exemptions from securities registration requirements under applicable state securities laws. Investors in the Company, therefore, will not receive any of the benefits that such registration would otherwise provide.

Prospective investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering on their own or in conjunction with their personal advisors.

No Guarantee of Return on Investment

There is no assurance that a Purchaser will realize a return on its investment or that it will not lose its entire investment. For this reason, each Purchaser should read the Form C/A and all Exhibits carefully and should consult with its own attorney and business advisor prior to making any investment decision.

A majority of the Company is owned by a small number of owners.

Prior to the Offering the Company's current owners of 20% or more beneficially own 47.00% of the Company. Subject to any fiduciary duties owed to our other owners or investors under Delaware law, these owners may be able to exercise significant influence over matters requiring owner approval, including the election of directors or managers and approval of significant Company transactions, and will have significant control over the Company's management and policies. Some of these persons may have interests that are different from yours. For example, these owners may support proposals and actions with which you may disagree. The concentration of ownership could delay or prevent a change in control of the Company or otherwise discourage a potential acquirer from attempting to obtain control of the Company, which in turn could reduce the price potential investors are willing to pay for the Company. In addition, these owners could use their voting influence to maintain the Company's existing management, delay or prevent changes in control of the Company, or support or reject other management and board proposals that are subject to owner approval.

Purchasers Will Not Directly Participate in Management

The Purchasers will not be entitled to directly participate in the management or operation of the Company or in the conduct of its business. The Company's Board of Directors consists of four members of the Company. The Business and affairs of the company shall be managed by the Board of Directors. The Directors shall be elected by majority vote of the outstanding common shares.

The Company has the right to extend the Offering deadline.

The Company may extend the Offering deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Company attempts to raise the Minimum Amount even after the Offering deadline stated herein is reached. Your investment will not be accruing interest during this time and will simply be held until such time as the new Offering deadline is reached without the Company receiving the Minimum Amount, at which time it will be returned to you without interest or deduction, or the Company receives the Minimum Amount, at which time it will be released to the Company to be used as set forth herein. Upon or shortly after release of such funds to the Company, the Securities will be issued and distributed to you.

There is no present market for the Securities and we have arbitrarily set the price.

We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our net worth or

prior earnings. We cannot assure you that the Securities could be resold by you at the Offering price or at any other price.

Your ownership of the shares of stock will be subject to dilution.

Owners do not have preemptive rights. If the Company conducts subsequent Offerings of or Securities convertible into , issues shares pursuant to a compensation or distribution reinvestment plan or otherwise issues additional shares, investors who purchase shares in this Offering who do not participate in those other stock issuances will experience dilution in their percentage ownership of the Company's outstanding shares. Furthermore, shareholders may experience a dilution in the value of their shares depending on the terms and pricing of any future share issuances (including the shares being sold in this Offering) and the value of the Company's assets at the time of issuance.

The Securities will be equity interests in the Company and will not constitute indebtedness.

The Securities will rank junior to all existing and future indebtedness and other non-equity claims on the Company with respect to assets available to satisfy claims on the Company, including in a liquidation of the Company. Additionally, unlike indebtedness, for which principal and interest would customarily be payable on specified due dates, there will be no specified payments of dividends with respect to the Securities and dividends are payable only if, when and as authorized and declared by the Company and depend on, among other matters, the Company's historical and projected results of operations, liquidity, cash flows, capital levels, financial condition, debt service requirements and other cash needs, financing covenants, applicable state law, federal and state regulatory prohibitions and other restrictions and any other factors the Company's board of directors deems relevant at the time. In addition, the terms of the Securities will not limit the amount of debt or other obligations the Company may incur in the future. Accordingly, the Company may incur substantial amounts of additional debt and other obligations that will rank senior to the Securities.

There can be no assurance that we will ever provide liquidity to Purchasers through either a sale of the Company or a registration of the Securities.

There can be no assurance that any form of merger, combination, or sale of the Company will take place, or that any merger, combination, or sale would provide liquidity for Purchasers. Furthermore, we may be unable to register the Securities for resale by Purchasers for legal, commercial, regulatory, market-related or other reasons. In the event that we are unable to effect a registration, Purchasers could be unable to sell their Securities unless an exemption from registration is available.

The Company does not anticipate paying any cash dividends for the foreseeable future.

The Company currently intends to reserve 8% of its future earnings to pay a dividend to the holders of common stock issued in this Regulation CF Offering and an unrelated issuance of common stock. The intention stated above is not a guarantee and investors should understand that the Company reserves the right to increase, decrease or eliminate its present intention.

Income Tax Risks

Each prospective Purchaser is urged to consult with its own representatives, including its own tax and legal advisors, with respect to the federal (as well as state and local) income tax consequences of this investment before purchasing any of the Securities. Certain prospective Purchasers, such as organizations which are exempt from federal income taxes, may be subject to federal and state laws, rules and regulations which may prohibit or adversely affect their investment in the Company. We are not offering you any tax advice upon which you may rely.

Audit by Internal Revenue Service

Information tax returns filed by the Company are subject to audit by the Internal Revenue Service. An audit of the Company's tax return may lead to adjustments to such return which would require an adjustment to each Purchaser's personal federal income tax return. Such adjustments can result in reducing the taxable loss or increasing the taxable income allocable to the Purchasers from the amounts reported on the Company's tax return. In addition, any such audit may lead to an audit of a Purchaser's individual income tax return, which may lead to adjustments other than those related to the investments in the Securities offered hereby.

In addition to the risks listed above, businesses are often subject to risks not foreseen or fully appreciated by the management. It is not possible to foresee all risks that may affect us. Moreover, the Company cannot predict whether the Company will successfully effectuate the Company's current business plan. Each prospective Purchaser is encouraged to carefully analyze the risks and merits of an investment in the Securities and should take into consideration when making such analysis, among other, the Risk Factors discussed above.

THE SECURITIES OFFERED INVOLVE A HIGH DEGREE OF RISK AND MAY RESULT IN THE LOSS OF YOUR ENTIRE INVESTMENT. BUSINESS

Description of the Business

Mags Ammo & Company are shooting enthusiasts fusing industrial manufacturing with fintech to create a revolutionary asset backed digital token. Its mission is to build a commercial scale manufacturing facility that will produce investment grade ammo and pioneer the financialization of ammunition by creating asset backed digital tokens trading on a blockchain powered exchange.

The Company is a startup phase company committed to disrupting the ammunition marketplace by manufacturing unique investment grade quality ammunition in select calibers (the “Investment Grade Ammunition”), creating a first in class digital token backed by the Investment Grade Ammunition (“Tokens”), and developing a marketplace for the exchange of Tokens among secondary market holders – the Ammunition Investment Exchange.

Business Plan

The Company expects to achieve its business goals through distinct phases of operation. The initial phase shall be to acquire manufacturing facilities, machinery, and raw materials for use in the production of Investment Grade Ammunition. Also in the first phase of operations, the Company will purchase small quantities of white labeled ammunition intended for sale to build brand identity while manufacturing operations commence.

The company intends to raise \$11M. We will use \$6M of the \$11M to acquire a loan to buy the first equipment manufacturing line to begin making 556NATO ammunition. The remaining \$5M provides the company with operating capital for manufacturing materials, a building lease, marketing, labor, white labeled ammo, and the beginning work stages of developing the digital ammo. The Company intends to pay the investors the first \$8M of future distributions from manufacturing by reserving 8% of its future earnings to pay as a dividend to the holders of common stock. The Company intends to pay the Dividend at the end of a 71 month period from the date it commences Investment Grade Ammunition manufacturing operations, which shall be reported to investors via a notice from the Company. Phase 2 will be a capital raise through our Reg D offering, which would allow the company to purchase additional machinery allowing the company to offer multiple calibers of ammunition. The Reg D offering is not a capital raise in exchange for equity in the company and therefore will not dilute the shareholders.

Phase three of business operations will include development of the Tokens and the Ammunition Investment Exchange. Once a critical mass of Investment Grade Ammunition has been manufactured, the Token is structured, and the Ammunition Investment Exchange has attained any necessary approvals, the company will have commenced full operational capabilities.

History of the Business

As a startup stage company, its efforts to date have been spent researching & developing the business concept; building partnerships with legal, compliance, accounting and other vendors necessary for operations; formation of the company; and development of its capital raising plans.

The Company’s Products and/or Services

The intention is to produce the following:

Product / Service	Description	Current Market
5.56 NATO	55 Grain FMJ	\$.46 /round
7.62 NATO	190 Grain FMJ	\$.90/round
9MM	124 Grain FMJ	\$.31/round

Describe any anticipated products/services being developed/tested and their markets, and if they will be completed or introduced using the proceeds of the offering.

The Company intends to develop two distinct products with the proceeds of the offering – Investment Grade Ammunition and the Tokens. Additionally, the Company intends to develop the Ammunition Investment Exchange with proceeds from the Offering.

Competition

Competition for Mags Ammo & Company primarily comes from other manufacturers of ammunition, though it is unique in its intention to develop the Investment Grade Ammunition. With respect to its intended development of the Token, backed by the Investment Grade Ammunition, and the Ammunition Investment Exchange, a marketplace for exchange of the Tokens, the Company is not aware of any direct or indirect competitors.

Management believes that the Company is well positioned, with a unique product and business model. The expertise of Management combined with the intense interest in ammunition and the digital asset marketplace sets the Company apart from its competitors. However, there is the possibility that existing or new competitors could erode the Company’s potential market share and client base. Additionally, these competitors could be better capitalized than the Company, which could give them a significant advantage.

Supply Chain and Customer Base

The Company’s supply chain is largely domestic to the United States. Suppliers include suppliers and manufacturers of raw material metals used to fabricate cartridge and bullet casings as well as suppliers of the components used in the fabrication of ammunition.

Customers of the Investment Grade Ammunition include sovereign governments, consumers of ammunition, and speculators interested in acquiring ammunition for investment purposes.

Customers of the Tokens include members of the general public and institutions interested in speculating on digital tokens or ammunition for investment purposes.

Intellectual Property

The Company is dependent on the following intellectual property:

Introduction

Introducing Mags Ammo & Co. the new innovative ammunition company.

Mags Ammo & Co. is a company of shooting enthusiasts fusing industrial manufacturing with fintech technology to create a revolutionary ammunition backed digital token.

This transforms ammunition from what is currently a consumable product and into an investable commodity and asset.

You might ask what makes our ammo so different from everyone else's? Our ammo is what we call Investment Grade Ammo. Our investment grade ammo is high quality military-grade ammo built to

CIP/NATO specs. The ammo is then sealed around the case mouth and primer of the cartridge. The ammo is then packed into boxes that are then placed into vacuum sealed bags and sealed into an ammo can. This gives our ammo a self-life that will last decades. Allowing it to become a long term asset. This investment grade ammo is what gives Mags & Co. its competitive edge.

Our goal in raising capital is not only to create interest and community about our project but also to initiate Phase 1 of this great endeavor. The Manufacturing Facility. This capital raise is what will trigger the start of our manufacturing plant, the building of the brand, and the beginning development of ammunition backed tokens.

Why Invest?

The team has spent over 2 years developing the product and researching the laws, regulations, and logistics of creating an asset

backed token and blockchain marketplace. And guess what? It can be done.

We are also currently working with D&M Holdings to develop our manufacturing facility. The team who built Grind Hard Ammo and Sig Sauer Ammunition.

The Team

Our team is what gives Mags Ammo & Co. its core strength as we have experts in every field including a commodity professional(Ryan Larkin), Financial expert(Joe DiGangi), a manufacturing and logistics expert(Harry Barzilay), defense contractor(Lonnie McBride), an ammo expert who worked for both Remington Arms and RUAG for 17+ years(Josh

Cutlip), and a software engineer who spent most of his career working for Lockheed Martin(Doug Cavanaugh).

Our team is a collective group of shooting enthusiasts looking to own our means of ammunition production and bring a new high quality investment grade asset to the commodities marketplace.

Mags Ammo & Co.'s vision for the future is for ammo to become more than a good but also an investment grade asset much like gold and silver. Bringing a new commodity to the market, like ammunition, allows for people to own ammo all over the globe without having to hold it physically. This will create unprecedented demand for ammo as it becomes the next big asset class.

Market Opportunity

The current \$29B ammunition market has an estimated 2.8% annual growth with the global market growth projected at 4.7% annually.

Now is the opportune time to invest in ammo with prices currently being towards their cyclical lows, giving investors great upside potential.

Conclusion

Commercial scale manufacturing of an asset and tokenizing it may be the most innovative thing happening in the ammunition and commodities industry today.

As a team we noticed the impact that certain domestic and global events have on ammunition pricing and availability. Whether it be potential forthcoming second amendment restrictions, civil unrest, pandemics, economic uncertainty or numerous other geopolitical conflicts, ammunition pricing soars while supply evaporates. Thus, ammunition is a commodity.

We believe now is the optimal time to introduce ammunition into the commodities marketplace. The success of alternative investment products such as digital assets crypto and NFT's coupled with the booming market for rare collectibles, indicates investors are seeking sources of yield beyond traditional equities markets. Furthermore,

today's blockchain technology allows for industry transparency and can provide security to investors by ensuring the digital asset is married to the physical product.

By manufacturing and transforming ammunition into a digital asset and creating the first blockchain powered trading platform, we will provide investors and speculators across the globe access to a product that physical ownership is currently restricted in most places worldwide. Given ammunition manufacturers historically struggle to fulfill U.S. commercial market demand, global interest in asset backed digital

tokens will create unparalleled demand and tremendous upside investment yield.

For just \$12,000/share you too can join our mission to create the next big thing in the ammunition industry.

Thanks for watching!

(c) By delivering the Offering Stockholder Notice, the Offering Stockholder represents and warrants to the Company and to each other Stockholder that: (i) the Offering Stockholder has full right, title, and interest in and to the Offered Shares; (ii) the Offering Stockholder has all the necessary power and authority and has taken all

necessary action to Transfer such Offered Shares as contemplated by this Section 3.02; and (iii) the Offered Shares are free and clear of any and all Liens other than those arising as a result of or under the terms of this Agreement, or restrictions on transfer arising under applicable state or federal securities Laws.

Any ROFR Notice shall be binding upon delivery and irrevocable by the applicable Stockholder. If more than one Stockholder delivers a ROFR Notice, each such Stockholder (the "**Purchasing Stockholder**") shall be allocated its pro-rata portion of the Offered Shares, which shall be based on the proportion of the number of Shares such Purchasing Stockholder owns relative to the total number of Shares all of the Purchasing Stockholders own.

(e) Each Stockholder that does not deliver a ROFR Notice during the ROFR Notice Period shall be deemed to have waived all of such Stockholder's rights to purchase the Offered Shares under this Section 3.02, and the Offering Stockholder shall thereafter, subject to the rights of any Purchasing Stockholder, be free to sell the Offered Shares to the Third-Party Purchaser in the Offering Stockholder Notice in accordance with Section 3.02(f), without any further obligation to such Stockholder pursuant to this Section 3.02.

If the Offering Stockholder does not Transfer the Offered Shares within such period or, if applicable, within the Waived ROFR Transfer Period, the rights provided hereunder shall be deemed to be revived and the Offered Shares shall not be Transferred to the Third-Party Purchaser unless the Offering Stockholder sends a new Offering Stockholder Notice in accordance with, and otherwise complies with, this Section 3.02.

(g) Each Stockholder shall take all actions as may be reasonably necessary to consummate the Transfer contemplated by this Section 3.02, including entering into agreements and delivering certificates, instruments, and consents as may be deemed necessary or appropriate.

The "Book Value" shall be determined by dividing (a) the Company's net worth, excluding goodwill, in accordance with a methodology mutually agreeable to the Board, at the end of the Company's fiscal year which ends nearest to the occurrence of the event triggering the sale by (b) the number of Shares outstanding on the last day of such fiscal year. The Book Value shall be determined by an independent, nationally recognized valuation firm selected by the mutual agreement of the Stockholders, the Company, and the executor, administrator, surviving spouse or other legal representative of any deceased Stockholder interested in the sale of Shares (the "**Valuation Firm**"). The Book Value shall be computed in accordance with generally accepted accounting principles in effect from time to time. ARTICLE IV PREEMPTIVE RIGHTS

Section 4.01 Preemptive Rights.

(a) The Company hereby grants to each Stockholder the right to purchase its pro rata portion of any new Shares (other than any Excluded Securities) (the "**New Securities**") that the Company may from time to time propose to issue or sell to any Person.

- (i) the number of New Securities proposed to be issued and the percentage of the outstanding Shares, on a fully diluted basis, that such issuance would represent;
- (ii) the proposed issuance date; and
- (iii) the proposed purchase price per share.

(c) Each Stockholder shall for a period of fifteen (15) days following the receipt of an Issuance Notice (the "**Exercise Period**") have the right to elect irrevocably to purchase, at the purchase price set forth in the Issuance Notice, the amount of New Securities equal to the product of: (i) the total number of New Securities to be issued by the Company on the issuance date; and (ii) a fraction determined by dividing (A) the number of Shares owned by such Stockholder immediately prior to such issuance by (B) the total number of Shares outstanding on such date immediately prior to such issuance (the "**Preemptive Pro Rata Portion**") by delivering a written notice to the Company (an "**Acceptance Notice**"). Such Stockholder's election to purchase New Securities shall be binding and irrevocable. The failure of a Stockholder to deliver an Acceptance Notice by the end of the Exercise Period shall constitute a waiver of its rights under this Section 4.01 with respect to the purchase of such New Securities, but shall not affect its rights with respect to any future issuances or sales of New Securities.

(d) No later than five (5) days following the expiration of the Exercise Period, the Company shall notify each Stockholder in writing of the number of New Securities that each Stockholder has agreed to purchase (including, for the avoidance of doubt, where such number is zero) (the "**Over-Allotment Notice**"). Each Stockholder exercising its right to purchase its Preemptive Pro Rata Portion of the New Securities in full (an "**Exercising Stockholder**") shall have a right of over-allotment such that if any other Stockholder fails to exercise its right under this Section 4.01 to purchase its Preemptive Pro Rata Portion of the New Securities (each, a "**Non-Exercising Stockholder**"), such Exercising Stockholder may purchase all or any portion of such Non-Exercising Stockholder's allotment (the "**Over-Allotment New Securities**") by giving written notice to the Company setting forth the number of Over-Allotment New Securities that such Exercising Stockholder is willing to purchase within five (5) days of receipt of the Over-Allotment Notice (the "**Over-Allotment Exercise Period**"). Such Exercising Stockholder's election to purchase Over-Allotment New Securities shall be binding and irrevocable. If more than one Exercising Stockholder elects to exercise its right of over-allotment, each Exercising Stockholder shall have the right to purchase the number of Over-Allotment New Securities it elected to purchase in its written notice; *provided*, that if the Over-Allotment New Securities are over-subscribed, each Exercising Stockholder shall purchase its pro rata portion of the available Over-Allotment New Securities based upon the relative Preemptive Pro Rata Portions of the Exercising Stockholders.

(e) The Company shall be free to complete the proposed issuance or sale of New Securities described in the Issuance Notice with respect to any New Securities not elected to be purchased pursuant to Section 4.01(c) and Section 4.01(d) in accordance with the terms and conditions set forth in the Issuance Notice (except that the amount of New Securities to be issued or sold by the Company may be reduced), *provided*, such issuance or sale is closed within thirty (30) days after the expiration of the Over-Allotment Exercise Period; *subject, however*, to the extension of such thirty (30) day period for a reasonable time not to exceed sixty (60) days after the expiration of the Over-Allotment Exercise Period to the extent reasonably necessary to obtain any necessary Government Approvals. Prior to such proposed issuance or sale of New Securities, the Company shall cause: (i) each proposed holder of such New Securities to execute and deliver to the Company a Joinder Agreement; and (ii) if such proposed holder is an individual, any Spouse of such proposed holder to execute and deliver to the Company a Spousal Consent. In the event the Company has not sold such New Securities within such time period, the Company shall not thereafter issue or sell any New Securities without first again offering such securities to the Stockholders in accordance with the procedures set forth in this Section 4.01.

(f) The closing of any purchase by any Exercising Stockholder shall be consummated concurrently with the consummation of the issuance or sale described in the Issuance Notice. Upon the issuance or sale of any New Securities in accordance with this Section 4.01, the Company shall deliver share certificates (if any) evidencing the New Securities, which New Securities shall be issued free and clear of any Liens (other than those arising hereunder, those attributable to the actions of the purchasers thereof, and restrictions on transfer arising under applicable state or federal securities Laws), and the Company shall so represent and warrant to the purchasers thereof, and further

represent and warrant to such purchasers that such New Securities shall be, upon issuance thereof to the Exercising Stockholders and after payment therefor, duly authorized, validly issued, fully paid, and non-assessable. Each Exercising Stockholder shall deliver to the Company the purchase price for the New Securities purchased by it by certified or bank check or wire transfer of immediately available funds. Each party to the purchase and sale of New Securities shall take all such other actions as may be reasonably necessary to consummate the purchase and sale, including entering into such additional agreements as may be necessary or appropriate.

Except as otherwise provided in the second sentence of this Section 5.03 and subject to each Initial Stockholder's obligations under Section 5.01: (a) no Stockholder or any of its Permitted Transferees or any of their respective Representatives shall have any duty to communicate or present an investment or business opportunity or prospective economic advantage to the Company in which the Company may, but for the provisions of this Section 5.03, have an interest or expectancy (a "**Corporate Opportunity**"); and (b) to the fullest extent permitted by applicable Law, no Stockholder or any of its Permitted Transferees or any of their respective Representatives (even if such Person is also an officer or Director of the Company) shall be deemed to have breached any fiduciary or other duty or obligation to the Company by reason of the fact that any such Person pursues or acquires a Corporate Opportunity for itself or its Permitted Transferees or directs, sells, assigns, or transfers such Corporate Opportunity to another Person or does not communicate information

regarding such Corporate Opportunity to the Company. The Company renounces any interest in a Corporate Opportunity and any expectancy that a Corporate Opportunity will be offered to the Company; *provided*, that the Company does not renounce any interest or expectancy it may have in any Corporate Opportunity that is offered to an officer or Director of the Company whether or not such individual is also a Director or officer of a Stockholder, if such opportunity is expressly offered to such Person in his or her capacity as an officer or Director of the Company. The Stockholders hereby recognize that the Company reserves such rights.

Section 5.04 Confidentiality.

(a) Each Stockholder acknowledges that during the term of this Agreement, it will have access to and become acquainted with trade secrets, proprietary information, and confidential information belonging to the Company and its Affiliates that are not generally known to the public, including, but not limited to, information concerning business plans, financial statements, and other information provided pursuant to this Agreement, operating practices and methods, expansion plans, strategic plans, marketing plans, contracts, customer lists, or other business documents that the Company treats as confidential, in any format whatsoever (including oral, written, electronic, or any other form or medium) (collectively, "**Confidential Information**"). In addition, each Stockholder acknowledges that: (i) the Company has invested, and continues to invest, substantial time, expense, and specialized knowledge in developing its Confidential Information; (ii) the Confidential Information provides the Company with a competitive advantage over others in the marketplace; and (iii) the Company would be irreparably harmed if the Confidential Information were disclosed to Competitors or made available to the public. Without limiting the applicability of any other agreement to which any Stockholder is subject, each Stockholder shall, and shall cause its Representatives to, keep confidential and not, directly or indirectly, disclose or use (other than solely for the purposes of such Stockholder monitoring and analyzing its investment in the Company) at any time, including, without limitation, use for personal, commercial, or proprietary advantage or profit, either during its association with the Company or thereafter, any Confidential Information of which such Stockholder is or becomes aware. Each Stockholder in possession of Confidential Information shall, and shall cause its Representatives to, take all appropriate steps to safeguard such information and to protect it against disclosure, misuse, espionage, loss, and theft.

(b) Nothing contained in Section 5.04(a) shall prevent any Stockholder from disclosing Confidential Information: (i) upon the order of any court or administrative agency; (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Stockholder; (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories, or other discovery requests; (iv) to the extent necessary in connection with the exercise of any remedy hereunder; (v) to other Stockholders; (vi) to such Stockholder's Representatives who, in the reasonable judgment of such Stockholder, need to know such Confidential Information and agree to be bound by the provisions of this Section 5.04 as if a Stockholder; or (vii) to any potential transferee in connection with a proposed Transfer of Shares in accordance with this Agreement, as long as such potential transferee agrees in writing to be bound by the provisions of this Section 5.04 as if a Stockholder before receiving such Confidential

Information; *provided*, that in the case of clause (i), (ii), or (iii), such Stockholder shall notify the Company and other Stockholders of the proposed disclosure as far in advance of such disclosure as practicable (but in no event make any such disclosure before notifying the Company and other Stockholders) and use reasonable efforts to ensure that any Confidential Information so disclosed is accorded confidential treatment satisfactory to the Company, when and if available.

(c) The restrictions of Section 5.04(a) shall not apply to Confidential Information that: (i) is or becomes generally available to the public other than as a result of a disclosure by a Stockholder or any of its Representatives in violation of this Agreement; (ii) is or has been independently developed or conceived by such Stockholder without use of Confidential Information; or (iii) becomes available to such Stockholder or any of its Representatives on a non-confidential basis from a source other than the Company, the other Stockholders, or any of their respective Representatives, *provided*, that such source is not known by the receiving Stockholder to be bound by a confidentiality agreement regarding the Company.

(d) The obligations of each Stockholder under this Section 5.04 shall survive: (i) the termination, dissolution, liquidation, and winding up of the Company; and (ii) such Stockholder's Transfer of its Shares.

ARTICLE VI INFORMATION RIGHTS

Section 6.01 Financial Statements. In addition to, and without limiting any rights that a Stockholder may have with respect to inspection of the books and records of the Company under applicable Laws, including the DGCL, the Company shall furnish to each Stockholder, the following information, if so requested in writing by the Stockholder:

(a) The balance sheet of the Company as at the end of each such Fiscal Year and the statements of income, cash flows, and changes in stockholders' equity for such year.

(b) The balance sheet of the Company at the end of such quarter and the statements of income, cash flows, and changes in stockholders' equity for such quarter, all in reasonable detail.

Section 6.02 Inspection Rights.

(a) The Company shall, and shall cause its officers, Directors, and employees to: (i) afford each Stockholder that owns at least 5% of the outstanding Shares and the Representatives of each such Stockholder, during normal business hours and upon reasonable written notice, reasonable access at all reasonable times to its officers, employees, auditors, properties, offices, plants, and other facilities and to all books and records; and (ii) afford such Stockholder the opportunity to consult with its officers from time to time regarding the Company's affairs, finances, and accounts as each such Stockholder may reasonably request upon reasonable notice.

(b) The right set forth in Section 6.02(a) shall not and is not intended to limit any rights which the Stockholders may have with respect to the books and records of the Company, or to inspect its properties or discuss its affairs, finances, and accounts under the laws of the State of Delaware.

ARTICLE VII CAPITAL CONTRIBUTIONS

Section 7.01 Initial Capital Contributions. Contemporaneously with the execution of this Agreement, each Stockholder has made an initial Capital Contribution and is deemed to own Shares in the amounts set forth opposite such Stockholder's name on Schedule A attached hereto. The Board shall update Schedule A upon the issuance or Transfer of any Shares to any new or existing Stockholder in accordance with this Agreement.

Section 7.02 Additional Capital Contributions.

(a) In addition to the initial Capital Contributions of the Stockholders, the Stockholders shall make additional Capital Contributions in cash, in proportion to their respective Shares, as determined by consent of at least 75% of the Board from time to time to be reasonably necessary to pay any operating, capital or other expenses relating to the Business (such additional Capital Contributions, the "**Additional Capital Contributions**"). Upon the Board making such determination for Additional Capital Contributions, the Board shall deliver to the Stockholders a written notice of the Company's need for Additional Capital Contributions, which notice shall specify in reasonable detail (i) the purpose for such Additional Capital Contributions, (ii) the aggregate amount of such Additional Capital Contributions, (iii) each Stockholder's share of such aggregate amount of Additional Capital Contributions based upon such Stockholder's Shares, and (iv) the date (which date shall not be less than 15 Business Days from the date that such notice is given) on which such Additional Capital Contributions shall be required to be made by the Stockholders.

(b) If any Stockholder shall fail to timely make, or notifies the Company that it shall not make, all or any portion of any Additional Capital Contribution which such Stockholder is obligated to make under Section 7.02(a), then such defaulting Stockholder shall be deemed to be a "**Non-Contributing Stockholder**". Any of the non-defaulting Stockholders (a "**Contributing Stockholder**") shall be entitled, but not obligated, to loan to the Non-Contributing Stockholder, by contributing to the Company on its behalf, all or any part of the amount (the "**Default Amount**") that the Non-Contributing Stockholder failed to contribute to the Company (each such loan, a "**Default Loan**"), *provided*, that such Contributing Stockholder shall have contributed to the Company its pro rata share of the applicable Additional Capital Contribution. Each Default Loan shall bear interest (compounded monthly on the first day of each calendar month) on the unpaid principal amount thereof from time to time remaining from the date advanced until repaid, at NY Prime plus 3%, unless otherwise agreed between the Contributing Stockholder and Non-Contributing Stockholder.

(c) If the Non-Contributing Stockholder has not repaid the Default Loan (together with interest then due and owing) in whole within thirty (30) days, the Default Loan shall be converted into an Additional Capital Contribution of the Contributing Stockholder in an amount equal to the principal and unpaid interest on such Default Loan pursuant to this Section 7.02(c), and the Contributing Stockholder's Capital Account shall be increased by such amount. At the time of such conversion, the Shares of the Contributing Stockholder shall be increased proportionally by the amount of such contribution, thereby diluting the Shares of the Non-Contributing Stockholder.

(d) Except as set forth in Section 7.02, no Stockholder shall be required to make additional Capital Contributions or make loans to the Company.

ARTICLE VIII REPRESENTATIONS AND WARRANTIES

Section 8.01 Representations and Warranties. Each Stockholder, severally and not jointly, represents and warrants to the Company and each other Stockholder that:

(a) Such Stockholder has full capacity, power and authority to execute and deliver this Agreement and to perform its obligations hereunder. Such Stockholder has duly executed and delivered this Agreement.

(b) This Agreement constitutes the legal, valid, and binding obligation of such Stockholder, enforceable against such Stockholder in accordance with its terms except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law). The execution, delivery, and performance of this Agreement require no action by, or in respect of, or filing with, any Governmental Authority.

(c) The execution, delivery, and performance by such Stockholder of this Agreement does not: (i) conflict with or result in any violation or breach of any provision of any of the governing documents of such Stockholder; (ii) conflict with or result in any violation or breach of any provision of any applicable Laws; or (iii) require any consent or other action by any Person under any provision of any material agreement or other instrument to which the Stockholder is a party.

(d) Except for this Agreement, such Stockholder has not entered into or agreed to be bound by any other agreements or arrangements of any kind with any other party with respect to the Shares, including agreements or arrangements with respect to the acquisition or disposition of the Shares or any interest therein or the voting of the Shares (whether or not such agreements and arrangements are with the Company or any other Stockholder).

(e) Subject to the other provisions of this Agreement, the representations and warranties contained herein shall survive the date of this Agreement and shall remain in

full force and effect for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation, or extension thereof).

ARTICLE IX TERM AND TERMINATION

Section 9.01 Termination. This Agreement shall terminate upon the earliest of:

- (a) the consummation of an Initial Public Offering;
- (b) the consummation of a merger or other business combination involving the Company whereby the Shares become listed or admitted to trading on the Nasdaq Stock Market, the New York Stock Exchange, or another national securities exchange;

- (d) the termination, dissolution, liquidation, or winding up of the Company; or
- (e) the agreement of the Stockholders holding a majority of the issued and outstanding Shares, acting together and by written instrument.

Section 9.02 Effect of Termination.

(a) The termination of this Agreement shall terminate all further rights and obligations of the Stockholders under this Agreement except that such termination shall not effect:

- (i) the existence of the Company;
- (ii) the obligation of any party to this Agreement to pay any amounts arising on or prior to the date of termination, or as a result of or in connection with such termination;
- (iii) the rights which any Stockholder may have by operation of law as a stockholder of the Company; or
- (iv) the rights contained herein which by their terms are intended to survive termination of this Agreement.

(b) The following provisions shall survive the termination of this Agreement: Section 5.04 (as and to the extent provided in Section 5.04(d)), this Section 9.02, Section 10.04, Section 10.12, Section 10.14, Section 10.15, Section 10.16, and Section 10.17.

- (a) counsel for the Company prepared this Agreement on behalf of the Company and not on behalf of any Stockholder;
- (b) such Stockholder has been advised that a conflict may exist between such Stockholder's interests, the interests of the other Stockholders, and/or the interests of the Company;

- (d) such Stockholder has sought, or has had the full opportunity to seek, the advice of independent legal, financial planning, and/or tax counsel of its choosing regarding such consequences; and
- (e) counsel for the Company has made no representations to the Stockholder regarding such consequences.

For purposes of this Agreement: (a) the words "include," "includes," and "including" shall be deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. The definitions given for any defined terms in this Agreement shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine, and neuter forms. Unless the context otherwise requires, references herein: (x) to Articles, Sections, Exhibits, and Schedules mean the Articles and Sections of, and Exhibits and Schedules attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 10.07 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Except as provided in Section 5.02, upon such determination that any term or other provision is invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 10.08 Entire Agreement. This Agreement and the Governing Documents constitute the sole and entire agreement of the parties with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any inconsistency or conflict between this Agreement and any Governing Document, the Stockholders and the Company shall, to the extent permitted by applicable Laws, amend such Governing Document to comply with the terms of this Agreement.

Section 10.09 Successors and Assigns; Assignment. Subject to the rights and restrictions on Transfers set forth in this Agreement, this Agreement is binding upon and inures to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and permitted assigns. This Agreement may not be assigned by any Stockholder except as permitted in this Agreement (or as otherwise consented to in writing by all the other Stockholders prior to the assignment) and any such assignment in violation of this Agreement shall be null and void.

Section 10.10 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

Section 10.11 Amendment and Modification. This Agreement may only be amended, modified, or supplemented by an instrument in writing executed by the Company and the Stockholders holding a majority of the issued and outstanding Shares. Any such written amendment, modification, or supplement will be binding upon the Company and each Stockholder.

Section 10.12 Waiver. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 10.13 Governing Law. This Agreement, including all Exhibits and Schedules hereto, and all matters arising out of or relating to this Agreement, shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

Section 10.14 Submission to Jurisdiction.

(a) The parties hereby agree that any suit, action, or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby, whether in contract, tort, or otherwise, shall be brought in the US District Court for the District of Delaware or in the Court of Chancery of the State of Delaware (or, if such court lacks subject-matter jurisdiction, in the Superior Court of the State of Delaware), so long as one of such courts shall have subject-matter jurisdiction over such suit, action, or proceeding, and that any cause of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of Delaware.

(b) Each of the parties hereby irrevocably consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action, or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the venue of any such suit, action, or proceeding in any such court or that any such suit, action, or proceeding which is brought in any such court has been brought in an inconvenient forum. Service of process, summons, notice, or other document by certified or registered mail to the address set forth in Section 10.04 shall be effective service of process for any suit, action, or other proceeding brought in any such court.

Section 10.15 Waiver of Jury Trial. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAWS, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION, PROCEEDING, CAUSE OF ACTION, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING ANY EXHIBITS AND SCHEDULES ATTACHED TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 10.16 Equitable Remedies. Each party hereto acknowledges that a breach or threatened breach by such party of any of its obligations under this Agreement would give rise to irreparable harm to the other parties, for which monetary damages would not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, each of the other parties hereto shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

Section 10.17 Remedies Cumulative. The rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise.

Section 10.18 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

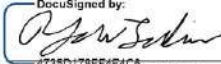

Section 10.19 Spousal Consent. Each Stockholder who has a Spouse on the date of this Agreement shall cause such Stockholder's Spouse to execute and deliver to the Company a spousal consent in the form of **Exhibit B** hereto (a "**Spousal Consent**"), pursuant to which the Spouse acknowledges that they have read and understood the Agreement and agrees to be bound by its terms and conditions. If any Stockholder should marry or engage in a Marital Relationship following the date of this Agreement, such Stockholder shall cause their Spouse to execute and deliver to the Company a Spousal Consent within 30 days thereof.
